orient Honest is a professional manufacturer of various types of face masks. We have a complete production line and a strict quality control system. Our products are widely used in hospitals, schools, and public places. We are committed to providing high-quality products and excellent service to our customers.

✔ With high moisturizing transferability technique, it absorbs moisture quickly, boasting a fresh fit even if worn for a long time, and prevents misting even when wearing glasses.

* 4 層構造のマスクを採用
 優れた保湿性を発揮し、長時間着用しても快適なフィット感を実現 *
