

von Einweg-Baumwoll-Geweberolle

How to Use 1

Step 1

Remove the roll tube from the center of the towel.

Step 2

Pick up the first count of the towel from the center.

Step 3

Put it back in the original packing bag and help yourself.

How to Use 2

Step 1

Take the towel out of the original package.

Step 2

Get a holder or a rack, and place the product.

Step 3

Use it like you would use a kitchen towel.
