The diagram illustrates the four layers of a 4-Ply filter mask. On the left, a cluster of colorful virus-like particles is shown being blocked by the first layer. The layers are numbered 1 through 4 with callout lines pointing to them. To the right of the exploded view is a solid black image of a standard surgical-style mask. Below the exploded view, a blue box contains the text '4-Ply filter'.

- 1** Outer water-repellent non-woven fabric
- 2** **3** Double layer
- 4** Gentle to Skin Non-woven layer  
Gentle to skin and breathe freely

**4-Ply filter**

# HOW TO USE

- 1 Remove mask from packaging.
- 2 Wear the mask to cover your nose and chin.
- 3 Hook each strap over your ear to lock them in place
- 4 Press the nose piece with the fingers of both hands so that the mask is in close contact with your face.

## Precautions for Use

1. Make sure not to place towel, tissue, etc. inside of the mask.
2. Do not use if the inside of the mask is contaminated.
3. Do not touch the surface of the mask after wearing.
4. This mask is disposable. Do not wash your mask.
