Material for coveralls.

1. PP.

Cut Made of hydrophobic polypropylene material, latex free; abrasion resistant; Low fiber; with a high fluid repellency level.

Color: White, green, blue, red, yellow, orange and so on.

material Weight: 20-65gsm.

2. PP + PE.

It's made of pp + pe, latex free, abrasion resistant, fluid that is truly resistant to fluid and alcohol.

Color: White, green, blue, red, yellow, orange and so on.
Heavy material: 40-65gsm.

3. SMS
It is made of hydrophobic SMS / spunlace material, latex free; abrasion resistant; Low fiber; with high fluid repellency level; a good barrier for blood, body fluids and Pathogen.
Color: white, green, blue, red, yellow, orange and so on.
Heavy material: 35-65gsm.

4. Microporous.

Permeability strong, anti-static; Better permeability, in various organic solvents, acid and alkali corrosion resistance at the same time, with high resistance to Impact of the mechanical properties of toughness, soft texture, convenient It is not irritating non-toxic supporters, harmless to the skin.

Available Color: white, can also make colorful microporous, Only MOQ will be 40 HQ containers.

material Weight: 45-65gsm.

Size	S-5XL
material	Non-woven pp, sms.pp + pe coated, microporous
Gram.	45g -65or as request
MOQ.	10000pcs.
Color	Blue, white, red, dark blue, etc.
Style	1. With a hood without booting, 2.ellastic on the wrist and ankle, elastic in hood, 5cm elastic at the waist. 3. There is no zipper, no buttons and no hooks and loops at the top. Seaming. In front of the front for the top.
Packing	1pcs / bag, 50SPCS / CTN or as your request
Delivery time	1 * 40HQ Container can be completed in 15-20days.
Feature	Use of safety protection, lightweight, comfort, Flexible, economical, soft.
Payment method	T / T, L / C, D / A, D / P, Western Union, Escrow, Paypal
Sample	Free samples, can be supplied free for your quality check In 2 days
Certificate	ISO13485. CE, FDA, Type5 & 6

Application	used in medical safety protection, aseptic workshops, Protective isolation, electronic mining factory, animal farm animal farm Biohazard farms and so on.
