Description of bed cover with elastic

- 1) Sets of disposable bed sheets and pillow covers are a great option for emergency rooms, clinics and day patient care rooms in hospitals and medical facilities.
- 2) They are latex free so there is no concern with patient reactions to the sheets even if they are latex sensitive.
- 3) The bed sheets are removed from the table or bed and disposed of after each patient. This means no possibility of the sheets transmitting bacteria or viruses.
- 4) Having a variety of options for assisting staff is providing the most practical and cost efficient options for patient care and comfort is a big plus in any healthcare facility.
