

Product Description:

1. Material: PP
2. 20-60g / m2
3. Color / Thickness / Weight
4. Size / Shape
5. Customization
6. Capacity: 10,000 / Size 1 \* 40HQ
7. OEM, 24 hours
8. CE, FDA, ISO 9001

Product Features:

1. High quality
2. Durable
3. Eco-friendly

Product Applications:

PP material is suitable for various applications, including: packaging, agriculture, and industrial uses.

Product Specifications:

Material:	PP
